RE: WTB - 911 Transition Report - CC Docket No. 92-105 and WT Docket No. 00-110

Contact Information:

This response is submitted on behalf of NTELOS Inc., parent company of its subsidiary NTELOS Wireless Inc., TRS 807074. NTELOS Wireless Inc. is the managing partner of Virginia PCS Alliance, TRS 816030; Virginia RSA 6 Cellular Limited Partnership, TRS 807081; and West Virginia PCS Alliance, TRS 818784. Information regarding this report may be obtained by contacting Bob Layman, Associate Technology Planner, 1154 Shenandoah Village Dr., Waynesboro, VA 22980 at 540-941-4290 or email laymanr@ntelos.com.

Referenced Service Areas

NTELOS currently provides wireless service to the following two (2) counties referenced in the Fifth Report and Order CC Docket No. 92-105 Appendix D, Appomattox County, VA; and Bland County, VA.

911 Routing

Bland County, VA: Wireless 911 calls originating from cell sites providing service to the Bland County are routed to the State Police Dispatching Center in Wytheville, VA over the 10-digit translations to 276-223-4243.

Appomattox County, VA: Wireless 911 calls originating from cell sites providing service to Appomattox County are routed to the State Police Dispatching Center in Appomattox, VA over the 10-digit translations to 434-352-0583.

Certification

NTELOS has supported the above referenced routing since NTELOS began providing wireless service to the previously referenced areas. These translations will remain in place until these communities request alternate routing by requesting either Enhanced Wireless E-911 Service or routing to an otherwise designated call center.

Respectfully Submitted,

Anne Sarbin
Regulatory Manager
